Dear Parents,

This is to bring to your kind notice that in accordance with the applicable court ruling the fee structure for the academic session 2026-2027 will remain the same as per 2025-26 Fee structure.

However Parents are kindly informed that this is subject to revision or increase in fees with effect from the commencement of the academic year 2026-2027 based on the outcome of the proceedings pending before the Hon'ble Court. The same shall be binding and recoverable accordingly.

We would also like to bring to your kind notice, the rising operational costs and the need to provide salaries to staff in accordance with prescribed norms and regulatory expectations making it increasingly challenging to extend additional benefits without appropriate fee adjustments. Despite these constraints, the school remains committed to maintaining high standards of quality and holistic education for all students.

Your partnership in school education is highly appreciable. Thank you for your constant support and encouragement. We believe that together we can continue to provide a safe, nurturing and learning environment for our children.
